MY Y IS EVERY Y

Access to all Northern California Locations

MY Y IS EVERY Y

Where you live, work and play

We encourage Y members to stay active and take advantage of the Y as often as possible. Sometimes, it's more convenient to use a Y in a different location, near work, home, your child's school, or when traveling.

As a Y facility member, you have the flexibility to use other Ys across the Northern California Area at no additional charge.

HOW IT WORKS

Join the Y that you will use the majority of the time. Enjoy free access to all other Ys shown on the map.

- Access to participating facilities is valid for facility members. Program-only participants may upgrade to a facility membership at any time to qualify.
- Visitors to other Ys must present a valid membership card and photo ID. You will also need to complete a liability waiver or standard membership application form with waiver.
- Program discounts may not apply outside of your home Y association. Participating Ys reserve the right to restrict facility or program access. Other restrictions may apply.

As programs, equipment and facilities can change, contact the respective YMCA for the most up-to-date information. Services and benefits vary by location.
