Introduction

ABOUT CITY GOVERNMENT

The City of Morgan Hill was incorporated on November 10, 1906. Morgan Hill is in southern Santa Clara Valley, approximately 12 miles south of San Jose, 10 miles north of Gilroy, and 15 miles inland from the Pacific Coast. The Valley is approximately 4 miles wide and is surrounded by the Santa Cruz mountain range to the west, and the Diablo mountain range to the east. Parks and open spaces abound, making Morgan Hill one of the last communities in the region with a charming, small town atmosphere.

The City Council consists of the Mayor and four council members representing separate districts in the City. The Mayor is elected by all City voters, while the council members are elected by voters residing in each district. The Mayor is required to live within the city limits and each council member is required to live in the district they represent. The Mayor serves a two-year term and the council members serve four-year terms. Elections are staggered and held in even number years. The Mayor and City Council seats for districts A and C are up for election in the same year, while the Mayor and City Council seats for districts B and D are up for election in the next even-numbered year. Candidates run for election during the November General election.

In the case of a special election to fill a vacant office, the candidate receiving the greatest number of votes in the special election shall be elected to fill the vacant office. The person elected to fill a vacancy shall hold office for the remaining term of the former incumbent. The City Council may choose to fill a vacant office by appointment rather than special election.

The City Council establishes city policies, ordinances and land uses; approves the City's bi-annual budget, contracts, and agreements; hears appeals of decisions made by City staff and citizen advisory groups; and appoints the City Manager and City Attorney. Council members serve on several outside committees and joint power authorities. The Mayor and council members receive an annual stipend and benefits.

Please refer to the Organization Chart in Appendix A for a detailed look at the City's organizational structure.

BEING A MEMBER OF CITY COUNCIL

Each council member represents a district of between 9,000 and 10,000 residents and serves as a liaison between the residents and businesses of the district, and City staff. The Mayor represents the entire City (population of approximately 43,000 residents) and

Introduction

serves as a liaison, problem solver, and collaborator between organizations, businesses and City staff on major City issues and projects. Please refer to Appendix B for a detailed map of the City of Morgan Hill.

The Office of the Mayor is located at City Hall.

Meetings

The City Council holds meetings on the first, third, and fourth Wednesdays of the month at 7:00 p.m. in the City Council Chamber, located at 17555 Peak Avenue. The City Council adopts the regular meeting schedule annually accommodating for holidays and most workshops. Occasionally, special meetings or workshops are held before a regularly scheduled City Council meeting.

Council members serve on outside committees, as well as on a variety of joint power authorities and other committees. The joint power authorities and other committees include, but are not limited to, the Santa Clara County Library District Joint Powers Authority, Valley Transportation Authority, Santa Clara Valley Water District, Association of Bay Area Governments, and League of California Cities.

Materials for regular City Council meetings are compiled in the form of an electronic agenda packet, which the Office of the City Clerk produces and publishes on the Friday prior to the meeting. Meeting materials are published electronically on the [City's website](#); paper copies are not provided. Supplemental or amended materials may also be presented for consideration before or during the meeting. Materials for authorities and other committees are provided by the respective agencies in relation to their meeting schedules.

Compensation

Compensation, benefits, and allowances for the Mayor and council members are set by Ordinance. Please refer to Appendix C. Council members do not receive additional compensation for attendance at joint power authorities, or other committees.

Terms of Office

Members shall take office on the day of the last regularly scheduled City Council meeting in December in the year of their election, and their terms of office shall commence on said

Introduction

date. The Mayor serves a two-year term, while Council members serve four-year terms, and there are no limits on the number of terms a member can serve.

Staff

The Office of the City Clerk manages the centralized administrative functions of the Office of the Mayor and council members. These activities may include organizing public meetings, meeting with citizens or citizen groups, organizing and attending community events and meetings, coordinating meetings with the City Manager to review upcoming agenda items, responding to organizations that want to do business with the City, and responding to and handling constituent complaints and concerns.

RECORDS AND DISCLOSURE

The California Public Records Act allows for public inspection of most government records. As a candidate for elective office, all documentation provided to the City of Morgan Hill, including email and written correspondence, may be subject to public disclosure unless otherwise exempt under the Act. The Nomination Petition is the only document requiring the home address of the candidate. However, pursuant to Elections Code section 17100, public access to this document is limited to viewing only. The petition may not be copied, distributed or posted online.

All campaign reporting forms are public documents under the Political Reform Act and are subject to disclosure. Campaign reporting is required to provide receipts and expenditures in election campaigns, and to disclose the assets and income of public officials that may affect their official actions. Address information is redacted from the online posting of forms; however full, unreacted versions shall be provided to the public upon request.

Nomination Petition

Each candidate shall be nominated by no less than 20 but no more than 30 registered voters residing within the district of the office sought. This is accomplished by obtaining signatures of voters on a *Nomination Petition*. The *Nomination Petition* can only be issued by the Office of the City Clerk. The petition shall remain intact as one document. Separating the pages shall invalidate the petition. The information contained on the first page of the petition shall be pre-populated by the Office of the City Clerk. A sample *Nomination Petition* is included at the end of this section.

SIGNING A NOMINATION PETITION

Any registered voter in the district in which office is sought, including the candidate, may sign a *Nomination Petition*. However, a registered voter shall only sign the petition of one candidate running for office in their district. If a registered voter signs more than one petition, the signature shall count only on the *Nomination Petition* which is filed first. The signature shall be written in the same manner as their voter registration.

CANDIDATE'S INFORMATION

This information shall be requested by the Office of the City Clerk and shall be pre-populated on the petition. The address used shall be the residential address that qualifies the candidate to run for the office sought.

CIRCULATING THE NOMINATION PETITION

The *Nomination Petition* may be circulated by the candidate or by any other person 18 years of age and qualified to vote in the State of California. Only one person may circulate the petition. Whoever circulates the petition must personally witness each signature, and complete and sign the *Declaration of Circulator*. This includes name, address, and circulation dates; and is signed under penalty of perjury.

AFFIDAVIT OF NOMINEE

The *Affidavit of Nominee* and *Oath or Affirmation of Allegiance* shall be prepopulated by the Office of the City Clerk with the candidate's name and office sought.

The candidate is responsible for completing the box with their name and occupation as it shall appear on the official ballot. The name shall be printed using ALL CAPITAL LETTERS. If the candidate wishes, a nickname may be used in addition to the formal name; however, titles or degrees are not permitted.

Nomination Petition

The *Nomination Petition* includes space to list a ballot designation. A ballot designation is a description of the candidate's elected or appointed office, or their principal profession, vocation, or occupation, which shall appear under the candidate's name in the official sample ballot.

The candidate's ballot designation shall be printed using uppercase and lowercase letters. Prior to completing this information, candidates should review the section in this guide related to Ballot Designations. Candidates are not required to use a ballot designation and may opt to leave the space on the *Nomination Petition* blank. To notify the Office of the City Clerk that a designation is not being submitted, the candidate shall place their initials to the left of the line that would otherwise have contained the designation.

Finally, the candidate shall sign and date the oath/affirmation under penalty of perjury. This is a self-affirmation that is not required to be given in the presence of the City Clerk.

SUPPLEMENTAL NOMINATION PETITION

If, after submitting nomination documents, the petition is verified to have less than the minimum number of signatures needed to qualify, the candidate may be issued a *Supplemental Nomination Petition*. With this supplemental petition, the candidate may gather additional qualifying signatures.

Supplemental petitions shall not be issued after the filing deadline. Therefore, if a candidate is unsure they have a sufficient number of qualified signatures it is recommended they submit nomination documents early. The issuance of a supplemental petition does not extend the filing deadline. The original petition shall remain on file with the Office of the City Clerk.

HANDLING THE NOMINATION PETITION

As provided in Elections Code section 18200-18205, no person shall submit a nomination paper knowing that any part of it has been made falsely. No person shall fraudulently deface or destroy, or willfully suppress all or part of any nomination paper; or deliberately fail to file at the proper time and in the proper place any nomination paper in his possession which is entitled to be filed. No person shall, directly or indirectly, pay, solicit, or receive anything of value to induce a person not to become, or to withdraw as, a candidate.

SAMPLE

Ballot Designation

Candidates who qualify for the ballot have the option of a printed ballot designation directly below their name. This designation is used to describe the candidate's elected or appointed office, or their principal profession, vocation, or occupation. Elections Code requires the completion of a *Ballot Designation Worksheet* as part of the nomination documents, even if choosing no ballot designation. A sample *Ballot Designation Worksheet* is included at the end of this section.

Ballot designations shall strictly adhere to the provisions of Elections Code. After the filing of nomination documents, the City Clerk shall review and verify that each designation complies. If a ballot designation does not adhere to the Elections Code, the candidate shall be notified that the designation shall be changed. If the candidate does not respond within three days of the notification, the City Clerk shall withdraw the designation.

SELECTING A BALLOT DESIGNATION

A candidate may submit a proposed ballot designation pursuant to one of four provisions outlined in Elections Code.

1. The name of the candidate's elective office;
2. The term "incumbent" as it refers to the current holder of the office;
3. The term "appointed incumbent" or "appointed" as it refers to current appointed holder of the office; OR
4. The principal profession, vocation, or occupation of the candidate.

Option 1: Name of Candidate's Elective Office

When a candidate holds elective office, or is a judicial officer, the designation may be the elective office the candidate holds at the time of filing nomination documents. There is no word limit for designations under this category. For example: Morgan Hill City Council member; City Council Member District A; or Santa Clara County Supervisor.

A copy of the candidate's official *Certificate of Election* shall be provided to the Office of the City Clerk as proof of elective office. For a judicial officer, a copy of the *Certificate of Appointment* shall be provided.

Ballot Designation

Option 2: Term “Incumbent”

The term “incumbent” shall only be used by a candidate who is a candidate for the same office which they hold at the time of filing nomination documents. The term “incumbent” shall not be used in conjunction with any other words, including any accompanying adjectives or modifiers, it must stand alone. A copy of the candidate’s official *Certificate of Election* shall be provided as proof of elective office.

Option 3: Terms “Appointed Incumbent” or “Appointed”

A candidate may propose a ballot designation consisting of the phrase “appointed incumbent” if the candidate holds an office, other than a judicial office, by appointment, and is a candidate for election to the same office. A copy of the candidate’s official *Certificate of Appointment* shall be provided as proof of appointment.

Under this option, a candidate may also propose a ballot designation consisting of the word “appointed” in conjunction with the elective office, if the candidate is a candidate for election to the same office or to some other office. There is no word limit for designations under this category. For example: Appointed Morgan Hill City Council member.

Option 4: Principal Profession, Vocation, or Occupation

Principal as used by the Elections Code means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

Profession means a field of employment requiring special education or skill and requiring specific knowledge of a particular discipline of learning or science. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Professions generally include law, medicine, education, engineering, accountancy, and journalism. Examples include: Attorney, Physician, or Teacher.

Ballot Designation

Vocation means a trade, religious calling, or the work upon which a person, in most but not all cases, relies for their livelihood and spends a major portion of their time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples include: Priest, Homemaker, or Electrician.

Occupation means the employment in which one regularly engages or follows as the means of making a livelihood. Examples include: Rancher, Construction Worker, or Police Officer.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it as their principal profession, vocation or occupation if the candidate has a current, active license as of the date of filing nomination documents and has complied with all applicable requirements respective of the licensure, such as payment of licensing fees. A candidate may not use a ballot designation based on a license that is inactive, suspended or revoked by the issuing agency.

General

A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a designation of this type, the designation shall be limited to three words and be separated by a slash “/”. Each principal profession, vocation or occupation shall independently qualify as a principal profession, vocation or occupation. For example: Legislator/Rancher/Physician; or Teacher/Construction Worker.

Punctuation shall be limited to the use of a comma “,” or a slash “/”. A hyphen may only be used if the hyphen is called for in the spelling of the word as it appears in a standard reference dictionary of the English language. An acronym shall be counted as one word.

All California geographical names shall be considered one word and shall be limited to the names of cities, counties and states. Elections Code does not consider the names of special districts and political subdivisions to be geographical names. If the candidate desires, the geographical name may be used in the form of “City of ...,” “County of ...,” or “City and County of ...” Examples of geographical names considered to be one word include City and County of San Francisco, Los Angeles County and County of Sacramento.

Ballot Designation

In the event the candidate does not have a current principal profession, vocation or occupation at the time of filing nomination documents, the candidate may use a ballot designation consisting of a principal profession, vocation or occupation which the candidate was principally engaged in during the calendar year immediately preceding the filing of nomination documents.

Retired

The use of retired as a ballot designation is generally limited to use by individuals who have permanently given up their chosen principal profession, vocation or occupation. The following shall be considered by the City Clerk for any designation including the word retired:

- Prior to retiring from their principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;
- The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;
- The candidate has reached at least the age of 55 years;
- If the candidate is requesting a ballot designation indicating that they are a retired public official, the candidate shall have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office;
- The candidate voluntarily left their last principal professional, vocational or occupational position;
- The candidate has not had another more recent, intervening principal profession, vocation or occupation; and
- The candidate's retirement benefits are providing him/her with a principal source of income.

Ballot Designation

UNACCEPTABLE BALLOT DESIGNATIONS

Any ballot designation that is prohibited by Elections Code, is misleading, or otherwise improper shall be rejected. The following types of activities are distinguished from professions, vocations or occupations and are not acceptable designations:

Avocations

An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work, and matters pursued as an amateur.

Pro Forma Professions, Vocations and Occupations

Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated.

Pro forma professions, vocations and occupations may include, but are not limited to: such pursuits as honorary peace officer, volunteer firefighter, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess, and the like.

Statuses

A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community. A status is generic in nature and generally fails to identify with any specificity how the candidate earns their livelihood or spends most of his/her time. Examples of a status include, but are not limited to: philanthropist, activity, patriot, taxpayer, concerned citizen, husband, wife, and the like.

In addition, a ballot designation shall not:

- Be comprised of or include commercial identification information, such as a trademark, service mark, trade name, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to: Acme Company President, UCLA Professor, Director Smith Foundation, and the like;

Ballot Designation

- Suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character. Any laudatory or derogatory adjectives which would suggest an evaluation of the candidate's qualifications shall not be permitted. Such impermissible adjectives include, but are not limited to: outstanding, leading, expert, virtuous, eminent, best, exalted, prominent, famous, respected, honored, honest, dishonest, corrupt, lazy, and the like;
- Abbreviate the word retired or place it following any word or words which it modifies. Examples of impermissible designations include: Ret. Army General; Major USAF, retired; or City Attorney, Retired;
- Use a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to Ex-, former, past, and erstwhile. Examples of impermissible designations include: Former Congressman, Ex-Senator, and Former Educator;
- Expressly contains or implies any ethnic or racial slurs or ethnically or racially derogatory language;
- Include the name of any political party;
- Include a word(s) referring to a racial, religious, or ethnic group; or
 - If the candidate is a member of the clergy, the candidate may not refer to their specific denomination. However, the candidate may use his /her clerical title as a ballot designation (e.g. Rabbi, Pastor, Minister, Priest, Bishop, Deacon, Monk, Nun, Imam, etc.).
- Refer to any activity prohibited by law. Unlawful activity includes any activities, conduct, professions, vocations, or occupations prohibited by state or federal law.

BALLOT DESIGNATION WORKSHEET

All candidates, whether proposing a ballot designation or not, are required to submit a *Ballot Designation Worksheet* with nomination documents. Any required verification documentation shall accompany this worksheet and shall be provided at the time of submitting nomination documents. The form shall be typed using the electronic fillable form; handwritten forms shall not be accepted.

A sample *Ballot Designation Worksheet* is included at the end of this section. On the worksheet, the candidate shall be asked to indicate which one of the four options is being selected for their proposed designation.

The alternate designations shall only be considered if the preferred designation does not adhere to the provisions of the Elections Code. Ballot designations proposed under this category shall be verifiable. Therefore, the candidate shall complete the *verification* section of the worksheet. If needed, the City Clerk shall verify the information submitted and may ask the candidate for additional verifying information.

If the candidate selects option 1, 2 or 3 as the designation type of “candidate’s elective office”, “incumbent” or “appointed incumbent”, or the word “appointed” in conjunction with the “elective office” the candidate shall attach a copy of the official *Certificate of Election* or *Certificate of Appointment*.

If the candidate does not wish to submit a ballot designation, the worksheet shall be completed, and the candidate shall select the **No Ballot Designation** option.

FPPC Form 700 - Schedule E (2019/2020)
advice@fppc.ca.gov • 866-275-3772 • www.fppc.ca.gov

Candidate Statement

The *Candidate Statement Form* shall be submitted with nomination documents, even if a candidate elects not to submit a statement. If no statement is being submitted, the candidate shall select the check box next to “I do not wish to submit a candidate statement.”

The candidate statement is an optional statement that provides candidates the opportunity to share additional descriptive and qualitative information about themselves. Candidate statements are printed in the official sample ballot in English, Spanish, and Chinese and provided to all voters.

The form shall be typed using the electronic fillable form; handwritten forms shall not be accepted. In addition, the text of the statement shall be provided electronically in an editable format via email to clerk@morganhill.ca.gov. A sample *Candidate Statement Form* is included at the end of this section.

COST OF STATEMENT

If a candidate elects to submit a statement, there shall be a payment made for half the estimated cost due when filing nomination documents. Because the cost of each candidate statement is prorated among those who submit statements and the number of registered voters in that district, the exact amount cannot be determined until after the election. Therefore, the amount paid is an estimate. If the final cost is less than the estimate, the candidate shall be refunded the difference. If the final cost is more than the estimate, the candidate will be required to pay the remaining balance.

INDIGENCE

If a candidate elects to have a candidate statement and is unable to pay for the statement when filing nomination documents, they may claim indigence. All claims of indigence are reviewed by the Office of the City Clerk and City Attorney for acceptance. If indigence is verified, the claim shall be accepted, and the City will bear the full cost of the candidate statement.

If the candidate wishes to claim indigence, a *Waiver of Candidate Statement Deposit Form*, *Statement of Financial Worth*, and a copy of their most recent federal tax filing shall be submitted with nomination documents. A sample *Waiver of Candidate Statement Deposit Form* and *Statement of Financial Worth* are included at the end of this section.

If indigence status is denied, the candidate shall have three business days from the date of

Candidate Statement

denial notification to submit payment, or the statement shall be withdrawn.

If indigence is granted, the candidate shall be notified, and the payment shall be postponed until after the election. The candidate shall be required to pay the actual candidate statement cost billed by the County.

WORD COUNT

The candidate statement is limited to 200 words, comprised in no more than five paragraphs. Pursuant to Elections Code, punctuation is not counted, and each word shall be counted as one word except as specified below:

- All geographical names shall be considered as one word; for example, “City and County of San Francisco” shall be counted as one word.
- Each abbreviation for a word, phrase or expression shall be counted as one word.
- Telephone numbers shall be counted as one word.
- Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the ten calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
- Dates consisting of a combination of words and digits shall be counted as two words. Dates consisting only of a combination of digits shall be counted as one word.
- Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as “one,” shall be considered as a separate word or words. For example: “one” shall be counted as one word, whereas “one hundred” shall be counted as two words. “100” shall be counted as one word.
- Internet web site addresses shall be counted as one word.

Once the statement is submitted, no editing shall be done by the Office of the City Clerk. Statements that exceed 200 words in length shall be shortened by City Clerk staff by

Candidate Statement

removing words from the end of the statement until the word limit is reached.

It is recommended that care be taken to ensure that the word limit is not exceeded. Candidates are encouraged to request a review of the statement word count and format with the Office of the City Clerk prior to submission of nomination documents.

STATEMENT CONTENT

The candidate statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations. If the statement contains the name of an endorsee, the candidate shall submit written approval from that individual to use their name in the statement. When a quote is used, the candidate shall provide the original document in which the quote was printed or a signed statement from the person who was quoted.

In addition, the statement shall not in any way refer to other candidates for that office or to another candidate's qualifications, character, or activities. Statement authors may be held liable for any false, slanderous, or libelous statements offered for printing or contained in the official sample ballot. The City Clerk shall reject any statement which contains any obscene, vulgar, profane, scandalous, libelous or defamatory matter, and any language or matter which is prohibited through the [U.S. Mail](#).

Format

Elections Code provides that the statement of each candidate be printed in type that is of uniform size and darkness, and with uniform spacing. Therefore, candidates may not use:

- Underlining (including publication names or titles referenced)
- ALL CAPS
- Any form of emphasis such as *italics*, **bold print**, dashes (-), bullets (●), stars (*), etc.
- Multiple punctuation (“.....” or “-----“or “!!!!!!”)

In addition to the word count limit, statements are limited to a maximum of five paragraphs for the statement to fit onto a single page in the official sample ballot. The statement shall

Candidate Statement

be written in first person tense and shall be limited to the candidate's own personal background and qualifications.

WITHDRAWAL OF STATEMENT

A candidate statement may be withdrawn, but not altered, up to 5:00 p.m. on the first working day following the close of the nomination period.

CONFIDENTIALITY

Candidate statements submitted shall remain confidential until 5:00 p.m. on the close of the nomination period. The statement shall then become a public record.

RULES FOR COUNTING WORDS IN CANDIDATE STATEMENTS

(Elections Code § 9)

The candidate statement heading includes the candidate's name (required), age (optional), and occupation (optional). These words, however, do not count toward the number of words allowed for the statement. All statements will begin with the words: "**Education and Qualifications:**" followed by the text filed by the candidate.

The "**Occupation**" field in the candidate's statement is **NOT** governed by the same laws pertaining to the ballot designation; therefore, it may be different. However, if its length exceeds one line, the additional words will be counted towards the final word-limit.

Words will be counted according to the following guidelines:

Each word shall be counted as one word except as specified in this section.

All proper nouns, including geographical names, shall be considered as one word; for example, "City and County of San Francisco" shall be counted as one word.

Each abbreviation for a word, phrase, or expression shall be counted as one word.

Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word; for example, "mother-in-law", "first-rate", "one-time" will be counted as one word. Each part of all other hyphenated words shall be counted as a separate word; for example, "one-half," "local-area," and "home-page" will be counted as two words.

Dates shall be counted as one word.

Any number consisting of a digit or digits shall be considered as one word. For example, "100" shall be counted as one word.

Any number which is spelled out shall be considered as a separate word or words. For example, "One" shall be counted as one word whereas "one hundred" shall be counted as two words.

Telephone numbers shall be counted as one word.

A website address (URL) shall be counted as one word.

Punctuation shall not be counted.

Additionally:

Characters used in place of a word or number and that stand alone, such as "&", "\$", "%", or "#" shall be counted as one word.

Characters used in conjunction with a number and necessary to combine, such as "\$100" or "100%" are not counted. For examples, "\$100" is counted as one word, while "#voteforme" would be counted as three separate words (# not counted).

If the text exceeds the word or line limit, the author will be asked to amend their statement to bring it within the required word or line limit.

This section shall not apply to counting words for ballot designations under Elections Code § 13107.

Code of Fair Campaign Practices

Pursuant to Elections Code Section 5.20400, the Code of Fair Campaign Practices is a voluntary pledge that the candidate may enter into regarding their campaign. The basis of this pledge is an acknowledgement by the candidate to uphold the basic principles of decency, honesty, and fairness in the conduct of an election campaign. Candidates who elect to subscribe to this code shall submit the *Code of Fair Campaign Practices* with nomination documents. A sample *Code of Fair Campaign Practices* is included at the end of this section.

By submitting the form, the candidate is pledging that they shall follow the rules of conduct as outlined in the Code. The rules of conduct include, but are not limited to: conducting an open and public campaign; not defaming the character of any candidate; not using dishonest or unethical practices; not coercing contributions from employees; upholding the electoral process; identifying candidate and/or committee as sender of campaign advertising; and providing to the candidate's opponent and the city clerk, any campaign advertising or communication which directly names or refers to an opponent eight days prior to dissemination of the advertising or communication.

APPLICABILITY OF PROVISIONS 5 AND 9 OF THE CODE

Provision 5 of the *Code of Fair Campaign Practices* states:

(5) I SHALL provide to my opponents, at the addresses on their Code of Fair Campaign Practices form, and to the City Clerk for public inspection, any campaign advertising or communication which directly names or refers to any of my opponents at least eight days prior to dissemination of the advertising or communication by me or my controlled committee.

Provision 9 of the *Code of Fair Campaign Practices* states:

(9) I SHALL clearly identify myself or my controlled committee as the sender of all campaign advertising to be mailed.

Section 1.20.040 of the City Code provides that provisions 5 and 9 are **not applicable** if all candidates for a particular office **do not** subscribe to the Code.

Code of Fair Campaign Practices

It is important to recognize that the Political Reform Act requires a candidate or a candidate's controlled committee to be identified as the sender of various types of campaign communications (e.g. contribution solicitations, mass mailings). Although provision 9 suggests that the candidate may not be required to identify themselves as the sender of campaign advertising, the Political Reform Act requires this identification. Additional details can be found in chapter three of *Campaign Disclosure Manual 2*.

Code of Fair Campaign Practices

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) **I SHALL CONDUCT** my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.

(2) **I SHALL NOT USE OR PERMIT** the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

(3) **I SHALL NOT USE OR PERMIT** any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

(4) **I SHALL NOT USE OR PERMIT** any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

(5) **I SHALL NOT** coerce election help or campaign contributions for myself or for any other candidate from my employees.

(6) **I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE** support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) **I SHALL DEFEND AND UPHOLD** the right of every qualified American voter to full and equal participation in the electoral process.

Election Activities in General

All candidates are required to file some level of campaign disclosure documents and/or reports. These documents are required by Government Code and provide the public with details on who contributes money or items to a candidate's campaign, and how the candidate spends that money.

Disclosure requirements are very complicated. These instructions provide only basic guidelines on which forms to file and when. The City Clerk cannot engage in rendering legal, accounting or other professional advice. Candidates are responsible for ensuring they meet the legal requirements of state and local laws.

GETTING STARTED

Prepared by the Fair Political Practices Commission (FPPC), *Campaign Disclosure Manual 2 – Information for Local Candidates* is the best resource for candidates regarding how to complete campaign reporting forms, establish a campaign committee, manage a campaign account, and what the Government Code requires of a candidate and committee treasurer. The manual is provided to candidates with nomination documents and is available on the [FPPC's website](#).

The FPPC is available by phone at 1-866-ASK-FPPC to help anyone who has a reporting requirement under the Political Reform Act provisions of the Government Code. Advice hours are Monday through Thursday from 9:00 a.m. – 11:30 a.m.

In addition to state law, Morgan Hill Municipal Code section 1.16.050 provides for local campaign provisions. These provisions include the requirement to file campaign statements using the City's designated electronic filing system. The full text of City Code section 1.16.050 is available on the [City's website](#).

Candidates are encouraged to thoroughly read *Campaign Disclosure Manual 2* and applicable Municipal Code sections to ensure compliance with all provisions.

Establishing a Bank Account

Election Activities in General

Candidates who anticipate soliciting or receiving contributions from others, or who anticipate spending over \$2,000 of personal funds in connection with the election, shall open a campaign bank account. A candidate's personal funds used to pay for the candidate's statement does not count toward the \$2,000 threshold.

Campaign contributions may not be commingled with any individual's personal funds. All contributions shall be deposited in, and expenditures made from, the campaign bank account. Candidate's may not re-use (or re-designate) a prior account for a future election. A new and separate bank account is required for each election. Additional details can be found in Chapter One of *Campaign Disclosure Manual 2*.

CAMPAIGN DISCLOSURE REPORTING FORMS

The following section provides an overview of the required methods for filing, a review of various campaign reporting forms, and filing deadlines.

Electronic Filing of Campaign Statements

The City of Morgan Hill requires the electronic filing of campaign statements, using the City's designated electronic filing system. Exceptions to this rule include the *Form 501*, *Form 470(S)* and *Form 410*. The City's electronic filing requirement of Forms 501, 470(S), and Form 410 is in addition to the state requirement to file an original signed statement. Both the electronic and original statement shall be received by the filing deadline to meet the filing requirement.

To help ensure efficiency of reporting, the City provides candidates with access to an internet-based electronic filing system. Candidates are required to utilize this system to create and submit statements filed with the Office of the City Clerk. Effective September 6, 2017 the Clerk no longer accepts paper filings of campaign statements (exception forms are, Form 501, original Form 410 and Major Donor Form 461).

Candidate Intention Statement (Form 501)

All candidates shall file a *Form 501* prior to soliciting or receiving contributions, and before any campaign expenditure is made from personal funds. The only exception is when a candidate spends personal funds to pay for a candidate's statement that is submitted with the nomination documents.

This form is the first form filed by the candidate and is not filed using the City's electronic

Election Activities in General

filing system, only an original paper statement is required. The form shall be typed using the electronic PDF fillable form; handwritten forms shall not be accepted. Additional details on completing this form can be found in Chapter Four of *Campaign Disclosure Manual 2*.

Candidate Campaign Statement Short Form (Form 470)

If a candidate does not anticipate raising or spending \$2,000 or more in a calendar year, the candidate may file a *Form 470*. Payments from the candidate's personal funds used to pay for a candidate's statement submitted with nomination documents does not count toward the \$2,000 threshold. This form shall be submitted at the time the candidate files nomination documents, if the candidate has not formed a recipient committee. This form is not filed using the City's electronic filing system, only an original paper statement is required. The form shall be typed using the electronic PDF fillable form; handwritten forms shall not be accepted. Additional details can be found in Chapter Four of *Campaign Disclosure Manual 2*.

If a *Form 470* is filed and later in the calendar year \$2,000 or more is raised or spent, the candidate's filing obligations and deadlines shall change. If this occurs, a *Form 470S* (supplemental) shall be filed with the City Clerk within 48 hours of reaching this threshold and notification shall be sent to all candidates seeking the same office. The notice shall be sent by guaranteed overnight delivery, personal delivery or fax. This form is not filed using the City's electronic filing system, only an original paper statement is required. The form shall be typed using the electronic PDF fillable form; handwritten forms shall not be accepted.

In addition, a *Form 410* shall be filed, and the candidate shall begin filing detailed campaign statements using the *Form 460*. Additional details can be found in Chapter Four of *Campaign Disclosure Manual 2*.

Statement of Organization (Form 410)

All candidates that receive \$2,000 or more in contributions in a calendar year qualify as a recipient committee and shall file a *Form 410*. The *Form 410* identifies the name of the committee, the treasurer and officers, and the purpose of the committee. Candidates may not re-use (or re-designate) a prior committee for a future election. A new and separate committee is required for each election.

Election Activities in General

Within ten days of receiving \$2,000 or more, the candidate shall file an original *Form 410* with the Secretary of State. The candidate shall include a \$50 payment made payable to the Secretary of State. Thereafter, the \$50 fee is due annually to the Secretary of State no later than January 15. Upon submission, the candidate shall be issued a committee ID number.

Immediately following, the candidate shall file a copy of the *Form 410* (with the committee ID number) with the Office of the City Clerk. Additional details can be found in Chapter Four of *Campaign Disclosure Manual 2*. Upon receipt of the initial *Form 410*, the Office of the City Clerk shall create a user account for the candidate to access the electronic filing system.

In addition, anytime a *Form 410* is submitted to the Secretary of State amending information, the candidate shall file a copy of the amended statement with the Office of the City Clerk.

Recipient Committee Campaign Statement (Form 460)

All candidates who qualify as a recipient committee shall file the *Form 460*. Annual statements, pre-election statements, and City supplemental statements are required. Government Code requires the continued filing of campaign statements until the committee has been terminated.

As disclosure requirements are complicated and lengthy, they have not been outlined in this manual. For details on how to complete the form, please refer to Chapter Six of *Campaign Disclosure Manual 2*. All *Form 460*'s shall be filed using the City's electronic filing system, in addition to the signed original statements.

24-hour Contribution Report (Form 497)

Contributions made or received in aggregate of \$1000 or more during the 90 days preceding an election require the filing of *Form 497*. This form shall be filed within 24-hours of receiving the contribution. The most common reasons local candidates are required to file this form is when:

- A contribution is **made** to a local candidate or ballot measure committee; OR
- A contribution is **received** by a local candidate or ballot measure committee.

Election Activities in General

As the *Form 497* does not contain a signature field, only the electronic filing of this form is required. Additional details can be found in Chapter Seven of the *Campaign Disclosure Manual 2*.

Campaign Disclosure Reporting Deadlines

Several campaign disclosure statements are required by candidates who qualify as a recipient committee. The reporting period of these statements are pursuant to Government Code. Information regarding all filing deadlines and reporting periods pertaining to the upcoming election is included in Appendix D.

Candidates who do not qualify as a recipient committee and elect not to file the *Form 410* are only required to file the *Form 470* short form.

DEFEATED CANDIDATES/OUTGOING OFFICEHOLDERS

Following the election, unsuccessful candidate or defeated officeholders should begin reviewing their campaign funds and allowable uses, as well as determine if their recipient committee should be terminated.

Surplus Funds

Campaign funds held by a non-incumbent defeated candidate or a candidate who withdraws from an election become surplus at the end of the semi-annual reporting period following the election. For candidates involved in the June Primary election, funds would become surplus on June 30.

It is important to know when funds become surplus, because the use of surplus funds is restricted. To ensure the proper disposition of campaign funds, individuals who fall into the above categories shall take action before the end of the applicable reporting period. Additional details on surplus funds can be found in Chapter Nine of *Campaign Disclosure Manual 2*.

Terminating a Recipient Committee

When all financial obligations are met, the committee's account has been spent or distributed, and a candidate ceases to raise or spend additional funds, the committee should be terminated. An original *Form 410* shall be filed with the Secretary of State, Political Reform Division, located at 1500 11th Street, Room 495, Sacramento, CA 95814.

Election Activities in General

Immediately following, the candidate shall file a copy of the *Form 410* (with the committee ID number) with the Office of the City Clerk. Additional details can be found in Chapter Four of *Campaign Disclosure Manual 2*.

At the same time the *Form 410* for termination is filed with the Office of the City Clerk, a termination *Form 460* shall also be filed, indicating a zero-cash balance. This final statement should report the committee's activity since the close of the reporting period of the previous statement filed.

Missing Contributor Information

Be advised that the Political Reform Act requires that a contribution of \$100 or more be returned within 60 days of receipt if the candidate or committee has not obtained the contributor's name and address, and in the case of an individual contributor, their occupation and employer. Detailed record keeping procedures can be found in Chapter Two of the *Campaign Disclosure Manual 2*.

November Election Period

November Election Period – July 1 through December 31 of the election year.

Contributions received prior to committee qualification would be considered for purposes of the contribution limits and shall be reported and attributed to the appropriate period.

Signs have an impact on the character, quality, and visual attractiveness of the community as well as have an effect on the safety of vehicular and pedestrian traffic. The restrictions on placement, number, and area of signs are adopted to prevent visual clutter, preserve the rural character and quality of the City, and to eliminate unnecessary distractions which may jeopardize pedestrian or vehicular traffic safety.

Permission of Property Owner

No person shall erect, construct or maintain any sign upon any property or building without the consent of the owner, person entitled to possession of the property or building if any, or their authorized representatives.

Temporary Signs 18.76.040(G)

Temporary Signs: Such signs may be single-faced or double-faced. In residential zoned districts, each parcel may have up to four temporary signs, each sign not to exceed six square feet in area. In non-residential zoned districts, each parcel may have one temporary sign, not to exceed thirty-two square feet in area

Enforcement

Any signs placed in public areas or property shall be subject to removal by the City. The City will attempt to contact election officials during the initial collection of non-conforming signs. The City's Code Enforcement Officer will contact the property owner for any non-conforming signs identified on private property.

The City will store any removed signs for a period of thirty (30) days at the Morgan Hill Corporation Yard. After such time, the signs will be subject to disposal. The City shall not be liable for the loss, destruction, or damage of any signs so removed and/or destroyed.
