**Parks and Recreation Commission Recognizes Morgan Hill Aquatic Foundation
for Commitment to Enhancing Sport of Swimming**

Morgan Hill, CA, November 27, 2018. The Morgan Hill Parks and Recreation Commission recognized the Morgan Hill Aquatic Foundation at the November 20, 2018 meeting. At the meeting, the Aquatic Foundation was presented a Certificate of Recognition. This recognition was to acknowledge the work the Aquatic Foundation does to enhance the sport of swimming in the Morgan Hill area.

The Morgan Hill Aquatic Foundation is a non-profit 501c3 organization that supports aquatics programs with the City of Morgan Hill. Through their work, the Aquatic Foundation has provided a number of projects to help enhance facilities and programming, such as the installation of the large scoreboard at the Aquatics Center and providing swim lessons to underserved children in the Morgan Hill community through their Dennis Kennedy Memorial Fund.

“The Foundation has been in existence since the opening of the Aquatics Center,” explained Tim Thornton as he accepted the recognition at the meeting. “We have made a donation for the last several years... to provide swimming lessons to kids and families who are not able to buy the lessons themselves.”

The Morgan Hill Aquatic Foundation will be making a donation to the City of Morgan Hill Programming for the upcoming fiscal year that will help approximately 75 children obtain swim lessons through the City’s programming.
