# Spring Splash Meet

Our Spring Splash meet this April will be an inter-squad meet this year. Our team is growing and we have more than enough swimmers to fill those heats...plus this way we won't be here *all day!*

We are going to run the meet exactly like a Cabana League meet so our newer swimmers can get in the swim groove and see how things flow! Don't worry, we will still award ribbons as if it were a dual meet!

I encourage all swimmers to attend regardless of how much you swam over the winter! This meet is zero pressure, even more laid back than a summer meet (is that even possible?! LOL) and a great chance to “get your feet wet” pun intended! :)
