Library, Culture and Arts Commission - City of Morgan Hill

Utility Box Art Project – Art and Inspiration

The Library, Culture and Arts Commission for the City of Morgan Hill is seeking sponsors to support the work of local artists participating in Morgan Hill's **Art and Inspiration** program.

This community project will provide a creative space for artists to help beautify the existing cityscape of Morgan Hill by using traffic or electric boxes, and transforming them into beautiful works of art. The boxes will also feature positive social messages to showcase Morgan Hill's distinctive character, aligned with Morgan Hill's strategic priorities to encourage and engage the local community and visiting tourists. This project will also act as a deterrent for unwanted graffiti, uniting a common need in our community.

Local businesses and residents will have the opportunity to sponsor the following 6 traffic and electric utility boxes, located in high traffic and visible areas around town:

1. Monterey Rd & Old Monterey Rd (near the old fire station)
2. Monterey Rd & Wright Ave
3. Monterey Rd & Madrone Pkwy
