

CRC Facility Closure Notice - Effective March 17, 2020

In order to do our part to help protect our community against the spread and transmission of the novel coronavirus (COVID-19), we have made the decision to temporarily close our facilities. This decision is based on the most recent guidance and mandates issued by the County Public Health Department and the State of California.

Effective Tuesday, March 17, 2020 the Centennial Recreation Center and Morgan Hill Aquatics Center will be closed. At this time, we anticipate this closure lasting through April 7, 2020, but there is a high likelihood that the closure may be extended.

For additional information regarding this temporary closure and the Centennial Recreation Center's response to the novel coronavirus (COVID-19), please visit the CRC's website at www.mhcrc.com or www.morgan-hill.ca.gov/CivicAlerts.aspx?AID=1557.
