

RENTAL RATES & INCOME TABLES FOR 2019 (Published June 18, 2019)

Income Categories: The Extremely Low, Very Low, Low, Median, and Moderate-Income Categories for households in Santa Clara County, California, are published periodically by the California Department of Housing and Community Development (“HCD”). In the event the income categories are no longer published by HCD or are not updated for a period of at least eighteen months, the City shall provide other income determinations which are reasonably similar with respect to method of calculation to those previously published by HCD.

(e.g. tenant pays for utilities separately, then the landlord must subtract a utility allowance from the rent schedule above to adjust the rent)

Note 2: The rent for each income level has been adjusted for assumed household size based on presumed occupancy levels of one person in a studio apartment, two persons in a one-bedroom unit, three persons in a two-bedroom unit, and one additional person for each additional bedroom thereafter.
