ADDENDUM NO.3

DATE: August 3, 2021, 2021

TO: ALL RESPONDING PARTIES TO THE RFP FOR SANITARY SEWER ROOT CONTROL SERVICES

FROM: Inga Alonzo, Management Analyst

SUBJECT: Clarification, Additional Cost Line Items, and Extension of RFQ Due Date

Page 11, Compliance with City’s Riverwatch Settlement Agreement, Clarification:

The City and its Contractors are bound by this settlement agreement which requires Contractors to develop methods for the application of root control agents that lesson the incidents of these agents escaping the collection system and keeping the public informed. The City is aware that the methods may have additional costs associated with the requirements of this section. For items ii. through vi. of this section, the Contractor shall include any “associated cost” for these in with the Unit Price Per Linear foot on the Cost Schedule on the attached, updated Page 18, Cost Schedule. For item i., Blocking the line upstream and down-stream of the area of application, separate line items have been added to Page 18 on the attached. Please replace the previous Cost Schedule Page 18 with this updated page. Approximately 80-90% of the sewer lines included in this RFQ are 6” to 8” low flow lines.

Extension of the RFQ due date:

The due date for this RFQ is being extended for one week and will be due **no later than 3:00 P.M., PST, Thursday, August 12, 2021.**
