In general, religious and political organizations are not eligible for subsidized facility use with the City.

The City reserves the right to decline any organization subsidized room use that appears to be in direct competition with City services/products.

Comparable Space Policy

In the event that a private user or a commercial user requests a room that is already reserved by a community organization, the request will be granted if another room is available for the community organization at any of the public facilities offered. The group contact will be notified of the room change.

Facility Cleanup

All customers are required to leave the room clean. All items brought into the facility must be removed by the user group at the end of their rental time.

Facility Cancellation Policy

Cancellations must be received by the Facility Use Coordinator at least seven days before the scheduled use. Any cancellations after this time will be charged a \$25.00 late cancellation fee. The fee must be paid prior to the group's next scheduled use or the reservation will be cancelled.

Non-Discriminatory Clause

In using Morgan Hill City Public Facilities, it is the City’s intent to provide this subsidized use to non-profit organizations/clubs/groups that agree not to discriminate on the basis of race, religion, age, sex, color, disability, sexual orientation or national or ethnic origin in conducting its meeting or any other activity under the Community Use Policy reservation system.

As the representative of your organization reserving this facility through the Community Use Policy, you understand the City’s intent in providing subsidized use and open access to all community members to your meeting and will abide by this requirement. Failure to abide by this requirement will result in the cancellation of your organization/club/group reservation.

Please note: reservations may always be paid for if the “open access” requirement for your organization/club/group becomes an issue.
